| Here's how this worked: The scores are listed from best down to worst. The bottom | | | | | | |
| 10 finishers each draw a partner from the top 10 finishers. First #20 (Jones) draws #1 | | | | | | |
| (Baker) and their scores are added together. Next #19 (Anderson) draws #6 (Woolsey) | | | | | | |
| Etc. until finally #11 (Sever) draws #4 (Law) and their combined score of 145 wins. | | | | | | |
