

# GATLINBURG FREE FISHING RODEO

## JUNE 7, 2008

The contest will be held on June 7th. Participation is open to all kids age 16 and under, everyone who enters will need the signature of a parent or guardian to enter. Sign up will begin at 7:30 am at Mynatt Park on Airport Road.

The kids can begin fishing as soon as they are signed in. They will have until 10:30 to catch fish, they must then return to Mynatt Park for weigh-in. The weigh-in will close at 11:00 am and the awarding of the prizes will begin as soon as the results are tallied. We are usually done before noon. There will be free snacks and soft drinks for everyone during the weigh-in.

All the usual rules apply during the rodeo, except for the need to have a license. Everybody can fish for free that day. However, you can not use treble hooks and the limit is still five (5) fish per person. Kids who fish in the designated children's area ( Mynatt Park and Herbert Holt Park ) must be age 12 or younger. Also, they are only allowed to keep two (2) fish from the children's area. They can then go to the general fishing areas to catch three (3) more for a total of five (5).
