[gatsport@live.com](mailto:gatsport@live.com)

**FOR SALE:** As a service to GSC members, we will place a for sale advertisement for your firearm in the current monthly newsletter for free. Simply email [gatsport@live.com](mailto:gatsport@live.com) with a description of your item, the asking price, and the email address or phone number by which you prefer to be reached. A picture of the item may also be shown with your ad. Ads for items which include a picture will attract much more attention than just a verbal description.

**TRASH ON THE RANGE:** Once you are done shooting, please remove your targets from the target holding board and place them in the trash container—OR— better yet take them to one of the county's trash convenience centers.

**Targets** left on the target boards will get wet the next time it rains and fall off of the target holding board and trash up the range. Then when the groundskeepers mow, the trash get shredded and multiplies the trashy appearance.
