ELECTION OF CLUB OFFICERS

Club Officers will be elected for the 2021-2022 club year. Those nominated to fill the positions are listed in this newsletter. Additional nominations for each office will be solicited at the June meeting and then a vote of the members present will choose the member to fill the office. There are several current officers who have served for several years and would happily relinquish their office for someone new.

SOMEONE BREAKING THE RULES

Occasionally you may observe someone on the range do something that is against the rules or dangerous. Should this occur below is the clubs protocol for handling this situation.

We do not expect you to confront someone that you do not know by pointing out rules infractions. But if you could say “Sir, Please do not .....”. If he does not cease the violation, then you should pack up your stuff and go to another range. On the way out, record his license plate number and report the incident to any of the Club officers. We will handle it, but we can only handle it if we can identify the offender.
