ICE on your phone ICE stands for "In Case of Emergency"

First responders or hospitals will search your contacts list for the person listed as ICE for the person that you wish to be notified in case that you are involved in an accident or are having a medical emergency.

It might look like this:
ICE Mary - wife
Mobile: (865) 555-1212
Known allergies: Penicillin

This will allow responders to notify the right person.

AUGUST MEETING HIGHLIGHTS

The August meeting was held in the Wade Conference Room of the King Family Library, August 12, 2021. Members in attendance were Rick McReynolds, Mike Cravy, Judy Cravy, Bryan Kendrick, Eric Faig, Paul Wellborn and Steve Chevalier. Rick McReynolds called the meeting to order at 6:30 PM.

There's so much more to fishing than just catching.

LISTEN UP

The Annual Volunteer Chevrolet Cookout is set for October 9, 2021 and that is just around the corner. So plan to stop by between 11:45 AM and 2:00 PM to grab a hot dog, renew your membership, visit with your friends, and even take a look at a new Chevrolet. This is a laid back event and no one is going to put the squeeze on you to buy anything. But if you need help with your membership renewal for 2022 or if you would like some information on a new ride, someone will be there to help you. In the meantime you can sit back with a Hot Dog, chips, and a Coke and see if your number will pop up for one of the door prizes.

This great event is courtesy of our friends at Volunteer Chevrolet.

(No. You don't get a free Chevrolet. But you can get a free look at a new Chevrolet. The Hot Dogs, Cokes, and Door Prizes [are free](#) to GSC members and their families.)
