March 2023 Newsletter

March Meeting Highlights

- The March meeting was held on March 9, 2023 at the Wade Conference Room of the King Family Library in Sevierville.
- Members present were: Rick McReynolds, Paul Barton, Samantha Barton, Clarence Voyles, Ken Schar, Cyndi Schar, Mike Cravy, Judy Cravy, Bill Mills and Paul Wellborn.
- Rick McReynolds called the meeting to order at 6:30 PM.
- The treasurers report was accepted.
- The minutes were accepted.
- Mike Cravy reported that the new range on Treebeard Way is complete.
- Parking lot gate at the entrance to the Treebeard Way property: Report deferred until April meeting.
- Mike Cravy reported that Insurance certificate from public safety cadets has met all requirements and planning is proceeding for the visit. The event is scheduled for July 17-20, 2023
- The local 4-H organization will sponsor 20 local youth in a national clay target competition this Spring. They will use our skeet and trap ranges to hold training and practice sessions in preparation for the county, state, and national competitions scheduled for this summer.
- Paul Barton reported that 2 new steel targets have been installed on the new 100yd range located on the Treebeard property.
- Mike Cravy and Eric Faig report that the importation of member data has finished and the new gate controller installation is being scheduled.
- Paul Wellborn moved to adjourn the meeting and the motion passed.
- *In June the Club will accept nominations for Officers and Board members, The position of Treasurer will need to be filled.*

LISTEN UP

NEWSLETTER: You may view our current newsletter at anytime by going to our website:

<http://www.gatlinburgsportsman.com>

Then move the cursor over the heading **ABOUT US** and clicking on **NEWSLETTER** from the dropdown menu.

FOR SALE: As a service to GSC members, we will place a for sale advertisement for your firearm in the current monthly newsletter for free. Simply email gatsport@live.com with a description of your item, the asking price, and the email address or phone number by which you prefer to be reached. A picture of the item may also be shown with your ad. Ads for items which include a picture will attract much more attention than just a verbal description.

TRASH ON THE RANGE: Once you are done shooting, please remove your targets from the target holding board and place them in the trash container—OR— better yet take them to one of the county's trash convenience centers.

Targets left on the target boards will get wet the next time it rains and fall off of the target holding board and trash up the range. Then when the groundskeepers mow, the trash get shredded and multiplies the trashy appearance.
