- ◆ Rickey McReynolds called the meeting to order at 6:27 PM.
- ◆ The November minutes were accepted by acclamation.
- ◆ Paul Barton's treasurer's report was accepted as submitted.
- ◆ As of 1/01/2021, we have 425 paid members for 2021. We have over 50 2020 members who have not yet renewed.
- ◆ Mike Bellissimo will hold a night shoot challenge on January 16, 2021.
- ◆ Samantha Barton reported that no one is currently signed up for a First Shots class.
- ◆ Eric Faig reported that a new router (\$26) has been acquired which will permit remote access to the gate computer.
- ◆ Ed Mancke has installed a fire extinguisher at every range. It was decided that the cabinets housing the extinguishers should be left unlocked, permitting access without having to break the plastic front panel.
- ◆ Dan Blalock report that a birm will be built at the downrange end of the new range on Treebeard Way. This will entail securing a permit from TDOEC. Blalock & Sons will begin the dirt work as soon as the permit is granted. This change in the design of the range is made at the request of Law Enforcement for their training format.
- ◆ Paul Barton and Eric Faig will produce and place a sign listing our Safety Rules at each range.
- ◆ Ed Mancke is rebuilding the picnic tables at each range. Al Klump is cleaning up the debris from the pine trees that fell across the road during the snowfall in late December. Bryan Kendrick is to fix the flue on the barrel heater at the Police Range. Judy Cravy volunteered to acquire brooms for each range to facilitate brass cleanup by the members.
- ◆ Recoil, LLC wishes to give us a quote on purchasing the spent lead in the backstops of the rifle and pistol ranges. Mike Cravy is to coordinate their inspection and receive their clean up proposal and their quote to purchase the lead.
- ◆ Meeting adjourned at 7:16 PM .
