

POLICIES

GUESTS:

Current active members are permitted, and encouraged, to bring guests to the range for their enjoyment, for firearms training purposes, and to introduce new people to the arts and skills of firearms nomenclature and safe operations.

GUEST LIMITATIONS:

1. Number of guest should be limited to 2 guests per membership per range visit.
2. Exceptions for a few extra guests may be granted by any GSC officer or director, but the request must be made in advance and must be in writing, preferably via email.
3. Exceptions for more than 8 guests at any one time must be made, in advance, at a regularly scheduled monthly meeting and the request must be approved by the membership present at that meeting.

EXAMPLES:

1. Joe, a current GSC member, decides to come out to the Club with his wife and his two under aged children. Joe decides to invite his brother and his nephew to join them. This group of 6 people is within the Guest Policy because Joe's immediate family is covered by his membership and the Brother and the nephew are guests.
2. Joe decides to bring his Sunday School Class out to shoot rifles and to have a cookout at the pavilion. Joe must attend a club meeting and request a Guest Policy exception because there are 9 members in the class.
